

DECEMBER, 2005 PROJECT- CHRISTMAS GIFT TAGS  
STARS LARGE GIFT TAG

Glitter:

- Ultra-fine Opaque: #46
- Summertree, #119
- Cranberry, #152
- Nugget

Materials:

- ¼" Double Sided Sticky Tape
- 4" x 5" Piece of Lace Netting
- Card Stock: Red
- Designer Dries Clear Adhesive With Ultrafine Metal Tip
- Embossing Fluid Stamp Pad
- Embossing Powder: Gold
- Heat Tool
- Hole Punch
- Scissors
- Stamp: 3 ½" Star
- Tag: Large

Cut red card stock to 8 ½" x 5 ½". Using tag as a template, trace tag shape on card stock, including tag hole. Cut out tag and punch hole in the center for tag opening.

Stamp star image onto card stock in two places using embossing stamp pad. Apply embossing powder with spoon and melt with heat tool.

Put double-sided sticky tape along all edges of tag. Press lace netting onto sticky tape edges and spoon on Cranberry glitter. Remove lace netting and fill in with Nugget glitter.

Fill in center of one star with glue and apply Nugget glitter. Fill in outer edge of star with glue and sprinkle with Nugget again. Repeat for second star.

Draw around tag opening with glue and sprinkle with Nugget glitter. Glue several accent dots scattered in between the stars and apply Summertree glitter. Dry for several hours.

Attach to gift, wrapped in gold paper. Apply Summertree dots on top of the package in random pattern.
