

DECEMBER, 2005 PROJECT- CHRISTMAS GIFT TAGS
SNOWFLAKE GIFT TAG

Glitter:

- Ultra-fine Opaque: #152 Nugget

Materials:

- 3" Strip of Red Ribbon
- Card Stock: Green
- Designer Dries Clear Adhesive With Ultrafine Metal Tip
- Embossing Fluid Stamp Pad
- Embossing Powder: Gold
- Heat Tool
- Hole Punch
- Scissors
- Stamp: Snowflake, medium size
- Tag: Medium

Cut card stock to 8 1/2" x 5 1/2". Using tag as a template, trace tag shape on card stock, including tag hole. Cut out tag and punch hole in the center for tag opening.

Stamp snowflakes onto card stock in four places using embossing stamp pad, overlapping two of the snowflakes off edge of tag. Apply embossing powder with spoon and melt with heat tool.

Glue strip of red ribbon across bottom of tag. Make glue dots across upper edge of ribbon and spoon on Nugget glitter.

Trace over snowflakes with glue and sprinkle with Nugget glitter. Dry for several hours.

Attach to gift, wrapped in red snowflake patterned paper. Glue dots in center and around outside edges of snowflakes on wrapping paper and sprinkle on Nugget glitter.
